Sponsored by

Seminar on

“Use of Clean Coal and Advanced Technology for Betterment of efficiency in Thermal Power Generation under Stringent Environment Regulation”

1000 hrs on 12-13 October 2009

Gulmohar Hall, India Habitat Centre

Lodhi Road, New Delhi-110003

DAY - I

0900 hrs	<i>Registration</i>
1000- 1100 hrs	INAUGURAL SESSION <i>Welcome by Shri C.V.J.Varma, President, Council of Power Utilities</i> <i>Addressed By Shri S.K.Das Gupta, Vice Chairman (Technical), Development Consultant, Kolkata</i> <i>India's Energy Demand</i> <i>Addressed by Shri I.A.Khan, Joint Advisor, Planning Commission</i> <i>Addressed by Shri Muralidhara Rao, Director Technical, Karnataka Power Corporation Limited, Bangalore.</i>
1130-1300 hrs	PRE LUNCH TECHNICAL SESSION
Session Chairman	<i>Shri S.K.Das Gupta, , Vice Chairman (Technical), Development Consultant, Kolkata</i> <i>Technology Requirements for Clean Power Generating Projects to enhance Thermal Power Efficiency,</i> <i>Shri. G.S.Bindra, General Manager (Incharge), BHEL, New Delhi</i> <i>Turn Carbon into Gold” “Mitigate Impact of Climate Change and Global Warming” “Maintain Industrial Safety</i> <i>Dr. R.K.Dave, Institution of Engineers, Jabalpur</i> <i>Advanced Technologies for increasing productivity in thermal power project including reduction in GHG emission</i>

<p>1230-1300 hrs</p> <p>1300-1400 hrs</p> <p>1400-1700 hrs</p> <p>Session Chairman</p>	<p>Dr. Chandan Chowdhury, CEO, IFS Solutions India Private Limited, Gurgaon.</p> <p>INTERACTION</p> <p>LUNCH</p> <p>POST LUNCH TECHNICAL SESSION</p> <p>Shri V.N.Choudhury, Executive Director (Corporate) NTPC Limited, New Delhi</p> <p><i>Overview of Power Sector Energy Efficiency in Generation</i> Ms. Neerja Mathur, Chief Engineer, Central Electricity Authority</p> <p><i>Clean Coal Technologies, Mitigation of GHG emission Through Renovation Of Ageing Power Plants</i> Shri N.A.Ramakrishna, DGM (R&M)., NTPC Limited, New Delhi</p> <p><i>Kyoto Protocol – Towards meeting the obligation of developing countries to contain CO2 Emission</i> Shri Dipankar Ghosh, Partner, Climate Change & Sustainability Services, Ernst & Young, New Delhi</p> <p><i>Utilization of Non Coking Coals for Metallurgical, Cement as well as Thermal Power Industries using Beneficiation Techniques</i> Shri. R.Prasad, Manager (Mining), Mecon Limited, Ranchi</p>
<p>1520-1550 hrs</p>	<p>TEA</p> <p><i>Existing Capacity of Coal Washeries and need for argumentation-Initiatives taken by utilities,</i> Shri V.N. Choudhary, Executive Director (Corporate), NTPC Limited, New Delhi</p> <p>INTERACTION, CONCLUSION of day's Session</p>

Seminar on
 “Use of Clean Coal and Advanced Technology for Betterment of efficiency in
 Thermal Power Generation under Stringent Environment Regulation”
 1000 hrs on 12-13 October 2009
 Gulmohar Hall, India Habitat Centre
 Lodhi Road, New Delhi-110003

DAY- II 13-10-2009

**Pre Lunch Technical Session
 (1000 hrs-1320 hrs)**

**To be chaired by
 Shri M.K.Joshi, Director (Technical)
 Engineers India Limited, New Delhi**

<p>1100-1130 hrs</p>	<p><i>Thermal Power Project Monitoring, An Overview</i> Shri D.S.Arora, Chief Engineer (Thermal Project Monitoring), CEA</p> <p><i>IGCC An Indian Perspective</i> Shri Gajendra Behari, Director (R&D), CEA</p> <p><i>Past Present and Futuristic Scenario of Exploitation of Lignite and Utilization for Power Generation</i> Shri R. Chandrasekhar, Dy. General Manager P & BD Neyveli Lignite Corporation, Tamil Nadu</p> <p>TEA</p> <p><i>EXISTING CAPACITY OF THERMAL COAL WASHERIES AND NEED FOR AGUMENTATION</i> Shri Ramesh Khanna, Vice President M/s Aryan Coal Beneficiation Private Limited, Gurgaon</p> <p><i>Challenges in Integrating Renewable Energy sources in the Grid</i> Ms. Anjuli Chandra, Director (HR), CEA, New Delhi</p> <p><i>Cleaning of Noncoking Coals</i></p>
-----------------------------	--

<p>1250-1320 hrs</p> <p>1320-1420 hrs</p>	<p><i>Prof. D.K.Sharma, Centre for Energy Studies, IIT Delhi.</i></p> <p><i>Underground Coal Gasification for Power Generation</i> Shri M.K.Joshi, Director (Tech), Engineers India Limited, New Delhi</p> <p>INTERACTION, CONCLUSION</p> <p>LUNCH</p>
